This SPDS must be read together with the above PDS and any other SPDSs that have been given to you in relation to this PDS.

The purpose of this SPDS is to:

- update what we mean by the definition of **'total loss'**;
- advise you of changes to limits in the additional benefits section; and
- advise you of a change in the 'Most we will pay for contents' section.

Important change to the PDS

1. On page 56 in the section 'Terms explained', delete the definition of **'total loss'** and replace it with the following:

"total loss" when used in relation to your caravan means that, in our opinion, the damage to your caravan is so great that it would not be safe, practical or economical to repair, or when your caravan has been stolen and not recovered within 14 days of you reporting its theft to us and we are satisfied that your claim is in order. When used in relation to your annexe, **total loss** means that, in our opinion, the damage to your annexe is so great that it would not be safe, practical or economical to repair, or when your annexe has been stolen and not recovered within 14 days of you reporting its theft to us and we are satisfied that your claim is in order.
